DEDICATION

What a short and succinct word, yet so descriptive of the man whose many years of service to the citizens of Francelstown we honor in this town report. He has been very visible to the Town as the Chief of the volunteer fire department for the past twenty years, but this is only part of his story of giving back to this birthplace that he loves so dearly. He is your home town plumber and your furnace repairman who appears at a moment's notice. He's the animal control officer who goes above and beyond the call to reunite a family with its lost pet or assure that all creatures are cared for properly. He's the guy in the iron mask behind the plate calling the balls and strikes at the little league games. He has even been known to get some of the calls right on occasion. There are countless other ways he has helped make this village a wonderful place to live. This story of unselfishness, reliability, and availability to all, is the hallmark of this quiet and unassuming man's commitment. A grateful Town offers its deepest thanks and gratitude to Chief Donald C. Abbott as he retires from the fire service he has served so well.

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Francestown, in said County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the “Red School” in said Francestown on Tuesday, the Eleventh day of March next, at 10:00 o’clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 thru 6 will be by official ballot, and the polls shall be open for balloting on said date at 10:00 o’clock in the forenoon and shall not close before 7:00 o’clock in the evening.

ARTICLE 1:

To choose all necessary Town Officers for the ensuing year.
(By Official Ballot)

ARTICLE 2:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article II-A, Conservation Overlay Districts** to require that the Zoning Board of Adjustment provide notice to the Conservation Commission of all Applications for Variance when the land affected is located within an overlay district.

The Planning Board voted unanimously in favor of this article.

ARTICLE 3:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Article II-A, Conservation Overlay Districts: make minor amendments to update the language of and correct inconsistencies in the ordinance.

The Planning Board voted unanimously in favor of this article.

ARTICLE 4:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article IV Signs** to more clearly define Directional Signs, and to establish guidelines for their content, size and lighting.

The Planning Board voted 4-3 in favor of this article.

ARTICLE 5:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article V Open Space Development** to: prohibit backland lots within an open space development, set a maximum setback for structures within a lot, increase the development perimeter setback, eliminate a 60% density bonus, and require that lot sizes be adequate to provide for emergency access and to support adequate well and septic systems.

The Planning Board voted 6-1 in favor of this article.

ARTICLE 6:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article VIII Definitions** to clarify the definitions of "Frontage" to ensure that frontage for a lot has the capacity to provide access to the lot, and to add a definition for "Natural Ground Cover".

The Planning Board voted unanimously in favor of this article.

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the Fifteenth day of March next, at ten of the clock in the forenoon, at which time the town will act on the following subjects.

ARTICLE 7:

To see if the Town will vote to raise and appropriate the sum of One Million, Four Hundred Sixteen Thousand, One Hundred Twenty Five Dollars (\$1,416,125.00), such sums to be raised by taxation, or take any other action relating thereto;

ARTICLE 8: (2/3 Vote Required)

To see if the Town will vote to change the name of the Capital Reserve Account entitled "Future Replacement of Fire Equipment" to read "Future Replacement or Purchase of Fire Equipment", or take any other action relating thereto;

ARTICLE 9: (2/3 vote required)

To see if the Town will vote to change the name of the Capital Reserve Account entitled "Future Replacement and Repair of Dry Fire Hydrants and the Establishment and Maintenance of Fire Ponds" to "Future Establishment, Replacement and Maintenance of Non-Pressurized Water Supplies and Appliances for Fire Suppression" or take any other action related thereto;

ARTICLE 10:

To see if the Town will vote to raise and appropriate a sum not to exceed One Hundred Sixty Five Thousand Dollars (\$165,000.00) to purchase a new ten wheel dump truck, such sum to be raised by the withdrawal of Sixty Five Thousand Dollars (\$65,000.00) from the Capital Reserve Account entitled "Future Replacement or Purchase of Highway Equipment", and One Hundred Thousand Dollars (\$100,000) from Undesignated Fund Surplus, or take any other action thereto;

The Selectmen and a majority of the Budget Advisory committee (3-2) recommend this appropriation.

ARTICLE 11:

To see if the Town will vote to raise and appropriate the sum of Two Hundred Eighty Nine Thousand dollars (\$289,000.00) to be placed in the Capital Reserve accounts, to be allocated as follows:

Future Replacement of Fire Trucks	\$35,000
Future Replacement of Fire Equipment	5,000
Future Establishment of Fire Ponds/Dry Hydrants/	
Future Establishment, Replacement & Maintenance of Non-Pressurized	
Water Supplies & Appliances for Fire Suppression	11,000
Future Replacement or Purchase of Highway Equipment	100,000
Future Replacement of Police Cruiser	10,000
Future Town Road Improvements	100,000
Future Replacement of Town Bridges	10,000
Future Improvement of Cemetery	8,000
Future Appraisal of Real Estate	10,000

Such sums to be raised by taxation, or take any other action relating thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1) recommend this appropriation.

ARTICLE 12:

To see if the Town will vote to raise and appropriate the sum of Six Thousand Sixty Nine Dollars (\$6,069.00) for the annual lease/purchase payment on the Kubota sidewalk snow plow, such sum to be raised by the withdrawal of Six Thousand Sixty Nine Dollars (\$6,069.00) from Undesignated Fund Surplus, or to take any other action related thereto;

The Selectmen and a majority of the Budget Advisory Committee (3-2) recommend this appropriation.

ARTICLE 13:

To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy Thousand Dollars (\$170,000.00) for an addition to the George Holmes Bixby Memorial Library to bring the library into ADA compliance; and increase utilization of the entire building, such sum to be raised by the withdrawal of One Hundred Seventy Thousand Dollars (\$170,000.00) from the Capital Reserve Account entitled "Future Library Building", or to take any other action related thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 14:

To see if the Town will vote to raise and appropriate a sum not to exceed One Hundred Ten Thousand Dollars (\$110,000.00) to complete the reconstruction of Poor Farm Road between Todd Road and Route 136 at the town center, such sum to be raised by the withdrawal of One Hundred Ten Thousand Dollars (\$110,000.00) from the Capital Reserve Account entitled "Future Town Road Improvements", or take any other action related thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 15:

To see if the Town will vote to raise and appropriate a sum not to exceed Thirty Five Thousand Dollars (\$35,000.00) for repairs to the twin culvert bridge located on the Second New Hampshire Turnpike South between Woodward Hill and Clarkville Roads, such sum to be raised by the withdrawal of Thirty Five Thousand Dollars (\$35,000.00) from the Capital Reserve Account entitled "Future Replacement of Town Bridges", or to take any other action related thereto;

The Selectmen and Budget Advisory Committee recommend this appropriation.

ARTICLE 16:

To see if the Town will vote to raise and appropriate a sum not to exceed Twenty Seven Thousand Eight Hundred Sixty Five Dollars (\$27,865.00) for the replacement of the police cruiser, such sum to be raised by the withdrawal of Twenty Seven Thousand Eight Hundred Sixty Five Dollars (\$27,865.00) from the Capital Reserve Account entitled "Future Replacement of Police Cruiser", or take any other action related thereto;

The Selectmen and a majority of the Budget Advisory Committee (3-2) recommend this appropriation.

ARTICLE 17:

To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to purchase new side arms for the Police Department, such sum to be raised by taxation, or to take any other action related thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 18:

To see if the Town will vote to raise and appropriate the sum of Eleven Thousand Five Hundred Dollars (\$11,500.00) to replace the roof at the Town Offices, such sum to be raised by the withdrawal of Eleven Thousand Five Hundred Dollars (\$11,500.00) from the Capital Reserve Account entitled "Future Town Building Improvement/Acquisition", or to take any other action related thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 19:

To see if the Town will vote to raise and appropriate a sum not to exceed Sixteen Thousand Dollars (\$16,000.00) to rebuild the road grader articulator, such sum to be raised by taxation, or to take any other action related thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1) recommend this appropriation.

ARTICLE 20:

To see if the Town will vote to raise and appropriate a sum not to exceed Ten Thousand Dollars (\$10,000.00) for the purchase of a computer system to tie the Fire Department to Southwest Mutual Aid Dispatch, such sum to be raised by a withdrawal of Ten Thousand Dollars (\$10,000.00) from the Capital Reserve Account entitled, "Future Purchase or Replacement of Fire Equipment", or take any other action thereto;

The Selectmen and the Advisory Committee recommend this appropriation.

ARTICLE 21:

To see if the Town will vote to raise a sum not to exceed Fifteen Thousand Dollars (\$15,000.00) for hydrologic studies to determine the reliability of existing and future sources of water for fire suppression, such sum to be raised by a withdrawal of Fifteen Thousand Dollars (\$15,000.00) from the Capital Reserve Account entitled, "Future Establishment, Replacement and Maintenance of Non-Pressurized Water Supplies and Appliances for Fire Suppression", or take any other action thereto;

The Selectmen and a majority of the Budget Advisory Committee (3-2) recommend this appropriation.

ARTICLE 22:

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) to be placed in the Conservation Fund as authorized by RSA 36-A:5, such sum to be raised by the withdrawal of Forty Thousand Dollars (\$40,000.00) from Undesignated Fund Surplus, or take any other action related thereto;

A majority of the Selectmen (2-1) and a majority of the Budget Advisory Committee (3-2) recommend this appropriation.

ARTICLE 23:

To see if the Town will vote to raise and appropriate the sum of Five Thousand Seven Hundred Fifty Dollars (\$5,750.00) for the treatment of invasive milfoil in Scobie Pond (aka Haunted Lake), such sums to be raised by taxation; or take any other action related thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1) recommend this appropriation.

ARTICLE 24:

To see if the Town will vote to raise and appropriate a sum not to exceed Seven Thousand Two Hundred Dollars (\$7,200.00) to purchase and install a new waste oil furnace for the Highway Garage, such sum to be raised by taxation, or to take any other action related thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1 abstain) recommend this appropriation.

ARTICLE 25:

To see if the Town will vote to raise and appropriate a sum not to exceed Seventy Thousand Dollars (\$70,000.00) to install a geothermal HVAC system in the Bixby Library, such sums to be raised by the withdrawal of Seventy Thousand Dollars (\$70,000.00) from the Capital Reserve account entitled "Future Town Building Improvement/Acquisition", or to take any other action related thereto;

The Selectmen and a majority of the Budget Advisory Committee (3-2) recommend this appropriation.

ARTICLE 26:

To see if the Town will vote to raise and appropriate the sum of Four Thousand Four Hundred and Seventy Five Dollars (\$4,475.00) and deposit said amount in the General Cemetery Trust, said amount representing revenue received from the sale of cemetery lots: Four Thousand Four Hundred Seventy Five Dollars (\$4,475.00) in the year 2007, or take any other action related thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 27:

To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to develop a professional town web site, such sum to be raised by private donation, or take any other action related thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 28: (By Petition)

To see if the Town will adopt the following ordinance:

No person shall deface, alter the location of, or remove any stone wall which was made for the purpose of marking the boundary of, or which borders, any road in the Town of Franchestown, unless upon the written consent of the Planning Board and the Board of Selectmen, except for driveways and points of access approved by appropriate State and local authorities.

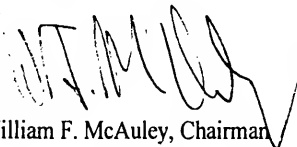

ARTICLE 29: (By Petition)

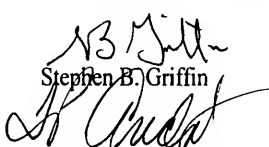

To see if the Town will vote to reimburse Betsy Wiederhold the sum of \$276.45 for the 29 Veterans staffs that she purchased for the Franchestown Cemetery.

ARTICLE 30:

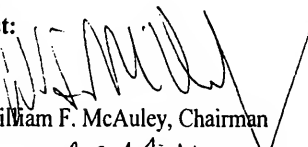

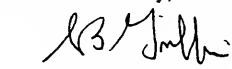

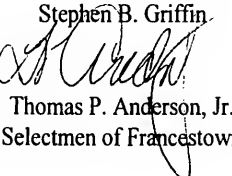

To transact any other business that may legally come before said meeting;

Given under our hands and seal this 11th day of February, in the year of our Lord, two thousand eight.

William F. McAuley, Chairman

Stephen B. Griffin

Thomas P. Anderson, Jr.
Selectmen of Franchestown

BOARD OF SELECTMEN ANNUAL REPORT

A year of constant flux –

- From the destructive April floods to the record December snows, our resources and community were tested in 2007. We rose to meet the challenges and prevailed. In the midst of all this, significant changes have been made in the core elements of the Town.
- The reorganization of the Highway Department has been completed. New equipment and new faces have allowed us to make permanent reductions in staffing through a planned retirement.
- The Police Department has seen significant change with the appointment of our first full-time Chief. The part-time staff is now comprised of primarily local officers, improving availability.
- The Town Transfer Station and waste management operation have seen significant changes in the way we collect, process and dispose of waste, resulting in increased revenues and decreased costs to the Town.
- The groundwork has been laid and articles will appear on this year's warrant to change the way we address the increasing cost of energy while protecting our environment.
- Our Democratic ideals have remained strong with continued support and involvement in our boards by the citizenry.
- Through it all we have remained financially strong with adequate surplus to see us through emergencies.
- The passing of a number of our prominent citizens demonstrated that our sense of community remains strong as we continue to be supportive of one another.

On behalf of the Board of Selectmen, I would like to thank every citizen of Francestown for their support and understanding in these changing times.

Respectfully submitted,
William F. McAuley, Chair - Francestown Board of Selectmen

Board of Selectmen
Town of Francestown
P O Box 5
Francestown, New Hampshire 03442

Dear Members of the Board:

We completed the fieldwork in connection with our audit of the Town of Francestown's December 31, 2007 financial statements on January 23, 2008. Unless we encounter circumstances beyond our control the completed reports will be available March 31, 2008.

Very truly yours,

Vachon, Clukay & Co., PC

Misc Town Fees/Registry		176.00
Total		\$279,781.09

If anyone has a copy of the early Francetown Town History that they would like to donate, or let the Town Clerk's office use for reference, we would be most appreciative since the Town does not own one.

**** A reminder that all dogs should be licensed by April 30th of each year, if dog is over 3 months old. There is a \$25.00 civil forfeiture fee if your dog is not licensed by June 1st, RSA 466:13.**

NOTE: Please be sure to bring current rabies certificate with you when licensing your dog.

Licenses available at the Town Clerk's office during regular business hours.

Respectfully submitted,

Elaine T. McClary, Town Clerk

FRANCESTOWN VOLUNTEER FIRE DEPARTMENT 2007 REPORT

2007 Officers:

Chief	Donald Abbott
1 st Deputy	Brian Delahanty
2 nd Deputy	Rich Pierson
Forest Fire Warden	Richard Leavitt
Captains	Gary Paige
	Larry Kullgren
	David Kullgren
	Kevin Holdredge
	Aaron Eder-Linell
Lieutenants	Jenny Fritz
	Jason St. Cyr
Standing Committee	Richard Leavitt
	Rich Pierson
	Aaron Eder-Linell
Clerk	Jenny Fritz
Treasurer	Paul St. Cyr
Training Officers	Aaron Eder-Linell
	Kevin Holdredge
Fire Prevention Officer	Rich Pierson
Historian	Al Thulander

Breakdown of calls:

Fires –

- Auto – 1
- Appliance - 1
- Automatic fire alarms – 5
- Brush – 4
- Chimney – 1
- Smoke investigation – 2
- Structure – 2

Rescues –

- Accidents – 27
- Helicopter Transports - 0
- Medical – 57
- Search - 3
- Water – 1

CO Investigation - 2

Hazmat – 0
Major Rain Event – took up 3 days worth of man power
Mutual Aid – stand by – 10
Mutual Aid – to the scene - 17
PSNH – wires down – 17
Drills/Training – 24
Fire Prevention Demos – 1
Meetings – 12
Sunday morning detail / radio check – 33
Work Details – 23
Other – 20

The fire department responded to a total of 153 emergency calls during 2007 – this does not include non-emergency activities – such as monthly meetings, trainings and drills.

The calls for 2007 were significantly up over last year due mainly to the weather. It also marks my retirement after 32 years of service – 20 years as Chief. I would like to thank all who have supported me at Town Meetings, and to the property owners who donate so generously to our fund drive every year. Also to the Auxiliary – thank you for your continued support of the fire personnel – we’ve been told by many other departments that they know homemade meals are on the way when they are called to Frankestown for a fire.

This year the fire department was awarded a grant in the amount of \$10,000 for a new base station radio and the new fire annex building should be completed in the spring. Also, our main project for the year – the refurbishment of Engine 2 (to enable us to carry more 4” hose) was completed. Thanks to all who contributed financially to this project.

Again, thank you and may I ask for your continued support of our new Chief, Larry Kullgren.

Firepersons still make house calls:
The number to call for FIRE and AMBULANCE is 911.

Respectfully submitted,

Donald C. Abbott, Chief

AUXILIARY – FRANCESTOWN VOLUNTEER FIRE DEPARTMENT 2007 TOWN REPORT

Officers elected for 2007:

President	Karen St. Cyr
Vice President	Linda Abbott
Secretary	Carol Ireland
Treasurer	Denise Hunsaker

The Auxiliary completed an ambitious year of commitments in service to The Francestown Volunteer Fire Department and its community in 2007 – successful especially because of broad community support. Thank you, friends and neighbors.

Since the odd year is the ‘year of work on the Directory Project’ – preparation for the publication of the **Francestown Telephone & Business Directory** for the even year – considerable time was invested on this project. Publication of the Directory provides a valuable community service for Francestown residents, and is the major fundraiser for the Auxiliary. A complimentary copy of the 2008 directory was mailed to every Francestown residence, and to every advertising business. It is with great pride, and sincere appreciation to the advertisers in the **2008 Francestown Telephone & Business Directory**, that the Auxiliary donated \$5000 to the Francestown Volunteer Fire Department toward refurbishment of the 1989 Pierce Pumper, the department’s back up apparatus.

During the Spring Nor’easter – the “100 year flood” that caused severe flood damage to the Town, the scope of which lifetime residents have never witnessed – as well as other times the Fire Department was on extended calls, Auxiliary members provided refreshments.

The Auxiliary served Italian fare when it hosted the monthly Thursday Community Supper in February. In March it was a corned beef dinner that was served to attendees at the monthly meeting of the Hillsborough County Forest Fire Warden Association held at the firehouse. We were honored to host the luncheon which followed the Veteran’s Day service in November.

Other activities include the sale of refreshments at Town Meeting in March, another fundraiser. October is Fire Prevention & Safety month in the schools, and the Auxiliary provides refreshments for all and presents Literary Vouchers to each classroom at FES, and to Joyful Tykes Preschool. Sponsorship of the Francetown Girl Scout troops is an ongoing commitment. This year the organization was headed by Lori Hardwick-Way and Diane Noonan. It welcomes new residents with a basket of baked goodies and information to introduce the family to town.

2007 was a monumental year for Francetown semi-annual blood drives. The May 7th Spring Blood Drive was notable since it began the sixth year of Auxiliary sponsored blood drives on Town. At this drive Joan Knight Davis earned the distinction of being the donor of the 500th pint of blood collected at Francetown drives. Sixty-six donors turned out for the Holiday Blood Drive held on November 30th where a record 58 units was collected! Of those donors, 44 were Francetown residents, another record set. First time donors registered at each drive.

At the Annual Appreciation Dinner hosted by the FVFD in the Spring, Chief Donnie Abbott surprised the Auxiliary with the presentation of specially designed bunker gear for members of the organization to wear when called out. The bright orange jackets designed for year round use will provide safety and comfort, and have reflective lettering and safety bands.

Respectfully submitted,

Karen A. St. Cyr, President

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfil.org.

Fire activity was very busy during the spring of the 2007, particularly late April into early May. As the forests and fields greened up in later May the fire danger decreased. However, a very dry late summer created very high fire danger again from August into September, with fire danger reaching very high on Labor Day weekend. Even with the dry conditions, the acreage burned was less than half that of 2006. The largest forest fire during the 2007 season burned approximately 26 acres on the side of Wantastiquet Mountain in Chesterfield during the month of May. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2007 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

GEORGE HOLMES BIXBY MEMORIAL LIBRARY TRUSTEE'S ANNUAL REPORT 2007

For the George Holmes Bixby Memorial Library, the year 2007 brought both sadness and hope; great appreciation for those who have made our library what it is and excitement about our future.

In a year of significant events for the Library, none was more deeply felt than the loss last June of our longtime Library Director, Joan Hanchett. Joan was truly a Francestown institution. She was always ready with a warm welcome, a helpful hand in selecting the right book and, for countless library visitors, some good conversation. Joan had a keen understanding of Francestown readers and a deep personal commitment to the power of books and public libraries to enrich our lives. Joan will be missed by all who had the good fortune to spend time with her.

Following a search for and subsequent interviews of several excellent candidates, the Library Trustees appointed Children's Librarian Carol Brock as Library Director. Carol brings to the position a solid understanding of our library and our community, together with energy and ideas for moving us forward, while respecting our past.

In 2007, we made forward progress in our mission to create a more accessible library building and add incremental space. Working with architect Erica Gees from Kuhn-Riddle Architects of Amherst, Massachusetts, we developed a design for our first phase of expansion, including a modest addition at the north end of the library, plus some much-needed renovations to the interior of the existing building. The design includes a new, handicapped-accessible entrance, together with a new stairway and elevator to provide access to the second floor. Together with structural improvements to the existing second-level floor, this will allow us the full use of this historical structure, providing additional space for books, plus quiet areas for reading and other activities. Effort has been made to improve the energy efficiency of the existing building through targeted insulation, new lighting and improved HVAC systems. The handsome design, which conveys the look and feel of a traditional "ell," respects the architectural integrity of our stately library building, while taking us a step forward in meeting our most critical needs.

A major challenge throughout this process has been developing a design that can be constructed within a tight budget. From the outset of the project in 2006, the Library Trustees have pledged to complete the expansion within the limits of the funds already available—including funds in the Library Building Fund, primarily composed of donations and a bequest from Esther M. Hill, together with Capital Improvement Plan (CIP) funds set aside for Library Building by Town Meeting in recent years. To help us manage the project within this strict budget, the Trustees decided to pursue a "Construction Management" approach. This would enable us to define a "Guaranteed Maximum Cost" for the project, hiring a construction management firm to manage every detail of the project, including all subcontractor bids, to bring it in on budget. To that end, the Library Trustees have selected Baybutt Construction of Keene as our construction manager.

Another significant challenge was the question of where and how to conduct library operations during the upcoming construction, expected to begin in Spring 2008. After exploring several alternatives, we decided the Francestown Town Hall was the best option for our temporary library. With cooperation and encouragement from the Francestown Board of Selectmen, Library Director Carol Brock swung into action and

began the enormous task of readying our small, temporary space—the downstairs kitchen area in the Town Hall—and planning the many logistical details involved with conducting library operations in this unusual venue, including arranging for safe, secure moving and storage of the library's collection.

Throughout all of these changes—both current and anticipated—our library staff proved a solid foundation. In this year of flux, their flexibility, energy and commitment to serving every library patron with skill and warmth have been extraordinary. We offer our sincere thanks to Library Director Carol Brock, Library Assistants Sirkka Holm and Susan Connard, and our Temporary Library Aides, Jan Griffin and Mary Farrell. Thanks to their efforts, the library has continued its role as a welcoming place for local organizations seeking a meeting place, those looking to tap into community happenings and, of course, anyone looking for a cozy spot to dive into a really good book.

As we approach the realization of our much-anticipated renovation and expansion, we expect that 2008 will truly be “one for the books” at the George Holmes Bixby Memorial Library.

Treasurer's Report, George Holmes Bixby Memorial Library Trustees

The Library Trustees oversee several building funds and trusts to ensure appropriate use of the funds. These funds are separate from town allocated funds and subject to specific usage terms. Funds are currently held at several local banks, with the largest fund under the management of the investment firm Waddell and Reed. A summary of 12 month activity follows:

2007 was a year of many changes. Our beloved Library Director, Joan Hanchett, passed away. Our library and our community benefited greatly from Joan’s many years of service, friendship and her ability to make you laugh and feel loved. She will be greatly missed. A very special thank you to Sirkka Holm, Susan Connard, Jan Griffin, and Mary Farrell for their outstanding dedication to the library. They have succeeded in making it a very warm and welcoming place. They are a combined force in keeping the library collection current.

Thank you to all the Trustees for making my transition to Library Director so enjoyable.

We are always delighted to get suggestions for books or programs. Please do not hesitate to call or mention your suggestions while here in the library.

Respectfully Submitted,
Carol Brock, Library Director

HERITAGE COMMISSION 2007

The Heritage Commission finished its third year in 2007. It meets the second Saturday of the month at 9:00 am in the meeting room of the town office building.

In January 2007, residents of the town gathered in Fellowship Hall at the Community Church to hear first hand memories of Franceltown in the 1930s, 40s and 50s. Connie Varnum, Dick Cilley and Dick Leavitt told wonderful stories of what Franceltown was like during this time. Lunch was served and the standing room only crowd thoroughly enjoyed this event.

Meetings of the Heritage Commission throughout the year talked with various representatives from buildings in town, both public and private. What to do about the deteriorating soapstone mill was and is an ongoing concern. As it is privately owned, and as Susan Swift, the owner, hasn't responded to calls and letters from Commission members or from others in town regarding it's condition, the status of the mill is unchanged. Time was spent at meetings with representatives from the "Beehive", the Library, the Community Church, and the Town Hall to see how the Heritage Commission could help secure funds and to provide assistance in their various renovations. It is difficult with privately owned buildings as tax dollars cannot be spent on such renovations. Members of the Commission also visited the Sleeper Cemetery to see what help could be obtained for clearing brush, fixing headstones, etc.

Articles were written by Commission members for the Franceltown News. Frank Hanchett wrote on rare animal breeds and Joe Ludwig on the old saw mills in town.

Work continued on the documentation of Main Street and Mill Village for the State Register of Historic Places. By using Greg Thulander's master's thesis along with work done by committee members on updates of various houses, the committee is able to provide necessary information to the State Register in the hopes that these districts will be put on the Historic Register. As required by the State Register black and white photographs of the houses and public buildings were taken by Ed Frost. The committee working on this project includes Roon and Ed Frost, Jan Griffen, Peter Bixby and Diane Curran

Members of the Heritage Commission are Peter Bixby, Bobby Abbott, who took Frank Hanchett's place, Mary Lindstrom, Ann Stewart, Secretary, Silas Little, Diane Curran and Steve Griffen as representative from the Selectmen. All meetings are open to the public.

Respectfully submitted,

Diane Curran
Chairman

CONSERVATION COMMISSION REPORT 2007

The '2010 by 2010' campaign initiated in October of 2004 has now reached the halfway mark with the Commission adding another 258.8 acres to the conserved list this year: 39 acres of town-owned property located on Route 47 designated as a town forest at 2007 Town Meeting, and 219.8 acres located between the 2nd NH Tpke N. and Old County Road N. that was purchased in November. The Francestown Land Trust (FLT) and the Piscataquog Watershed Association (PWA) have added several more properties to the list this year too, helping to reach further towards our collective goal.

The 219.8 acre property - named the Dinsmore Brook Conservation Area - has long been of conservation interest; laced with multiple streams and marshes, beaver flowages, vernal pools, seeps, south facing slopes, ledges, and a diversity of vegetation, it rated very high on our land protection priority list. It was acquired thanks to the Russell Piscataquog River Watershed Foundation and the Francestown Land Trust; being first purchased by the Russell Foundation, who then donated a conservation easement on the parcel to the FLT and then sold it to the Town for \$110,000. This was paid for - after the required procedures that include proper notice, public hearing and Selectmen approval - from money available in the Conservation Fund.

The access to the Dinsmore Brook Conservation Area is located off the 2nd NH Turnpike North, and is essentially a right-of-way that follows an old woods road to the property. Directional signs to the property have been put up along the access. A moonlight snowshoe hike is planned in February of 2008 as a way to introduce folks to the area, and other hikes will be planned there in the future.

Management and stewardship of our town forests is an ongoing issue; this year - after receiving estimates from three different consulting foresters - Ron Klemarczyk of FORECO was hired to complete an inventory and management plan for the Shattuck Pond Town Forest. The inventory of the property has been completed, UNH Cooperative Extension educator and wildlife biologist Matt Tarr was consulted for specific wildlife habitat recommendations, and Klemarczyk is now working on a draft of the final management plan.

Duck boxes in the Crotched Mountain Town Forest were cleaned out and replenished with fresh shavings in February. It was noted that most of the boxes were filled with unhatched eggs, and according to a biologist from NH Audubon this may have been due to the cool and very wet weather the previous spring.

Spring floods did some serious damage to the access roads into the Crotched Mountain town forest. As these are designated 'emergency lanes' they were repaired by the highway department, thankfully just in time to allow the fire department access to control a small forest fire started by lightening!

Trail maintenance work is a continuing effort. This year the trails in the Crotched Mountain town forest were modified, partly due to concerns related to lost hikers, and partly due to environmental issues. One section of trail has been closed, a new section added, new trail markers have been placed, trail names have been changed, new signs have been put up, and revised maps have been created. Additionally, special maps were prepared for the Fire Dept. and Rescue Squad that we hope will help them more easily locate injured or lost hikers. Thanks are extended to all the volunteers who help maintain our trails - and special thanks to Frankestown resident Ben Haubrich who did much of the work relocating and mapping trails this year.

Surveyor Harry Murray completed blazing the boundary lines of the proposed conservation easement properties on Crotched Mountain, one of the last steps required in order to finalize the conservation easement on these properties with the Society for the Protection New Hampshire Forests. The final easement language is being worked out now, and we hope to have this project wrapped up in the near future.

In a collaborative effort between the Conservation Commission, the Frankestown Land Trust and the G.H. Bixby Memorial Library, an educational initiative was established this year, named the 'Joan Hanchett Nature Series' in memory of our beloved librarian. This is planned to be a series of educational programs for families, with a focus on local nature and agriculture. The program was launched in September with a raptor event that attracted well over a hundred people. The program is being underwritten by the Frankestown News and several events will continue to be held annually.

Commission members attended workshops this year on issues that included; watershed protection, conservation easements, NH Fish & Games new Wildlife Action Plan, natural resource based planning, the Shoreland Protection Act, wetlands permitting, vernal pool identification, and forest management issues.

Several hikes were held, one collaborative hike with the Piscataquog Watershed Association (PWA) and the Frankestown Land Trust (FLT), several after school hikes with the elementary school children and their parents, as well as our annual full moon hike in February.

Several wetland applications were reviewed and commented on this year, and a few reported wetland violations were addressed. Applications that came before the Zoning Board of Adjustment and the Planning Board were reviewed and commented on, and the Planning Board's proposed update of the Master Plan was discussed. It was agreed to offer to assist the Planning Board with the open space/conservation aspect of the Master Plan update.

Earth Day was celebrated with an educational program at the town hall and a roadside cleanup event that was cooperatively sponsored by the Conservation Commission, PWA,

FLT and the G.H. Bixby Memorial Library. Lots of volunteers showed up to pick up roadside trash, and beverages for thirsty workers were contributed by the Francestown Village Store. Thank you to all who helped!

It is the duty of Conservation Commission to see that natural resources and watershed resources in our town are property utilized and protected and that we have an index, or 'inventory', of these resources. While we do have lists and maps of natural resource information, it needs to be updated and brought to current standards. Data continues to be added to our files for our updated 'Natural Resource Inventory', preliminary draft maps have been reviewed, and new maps are planned to be completed in 2008. The commission also agreed to support botanist studies of specific areas in town of high conservation interest, the results of which will be added to the database for the NRI.

Cooperative conservation efforts with other conservation organizations will continue to be an ongoing objective, and the Commission looks forward to another year of interesting projects and issues.

We thank you for your continued support.

Respectfully submitted,

Betsy Hardwick, Chair
Francestown Conservation Commission

SCHEDULE OF CONSERVATION LANDS

TOWN FORESTS (total 1485.37 acres)

1)	Shattuck Pond (Curren/McDonnell purchase, LWCF/LCHIP Grants)	418 acres
2)	Crotched Mountain Town Forest (King, Merrill, Schultz, Hardwick and Tamposi purchases and Merrill Donation - south side of Crotched Mountain, Hardwick 2004 purchase & East Rd lot 4/11 per town vote)	888.46 acres
3)	Driscoll Hill Town Forest (Bowman Tract - off Driscoll Hill Road)	53.6 acres
4)	Lord Town Forest (Ferson Road)	27.91 acres
5)	Piscataquog River Town Forest (Behind/beside transfer station)	6.0 acres
6)	Fire Tower Town Forest (Former state fire tower site-Crotched Mt. summit and Northfield Mt. Herman School purchase & 50 acres of old ski area land)	52.4 acres
7)	Added per 2007 Town Meeting (Wharton Lot)	39.0 acres

OTHER TOWN-OWNED CONSERVATION LAND (total 255.98 acres)

1)	Cilley I – donated, deed restrictions	3 acres
2)	Cilley II – donated, deed restrictions	7 acres
3)	Old County Rd N. (former Kampe lot, easement with FLT)	23.72 acres
4)	Old County Rd N. (Fisher Mill site, easement with FLT)	2.46 acres
5)	Dinsmore Brook Conservation Area (2007)	219.8 acres

CONSERVATION EASEMENT INTERESTS HELD BY TOWN: (414.15 acres)

1)	Pleasant Pond/Piscataquog River-Hill (Off Pleasant Pond Road, donated by Ellen M. Hill)	144.9 acres
2)	Piscataquog River - Varnum (Poor Farm and Todd Roads, donated by Harry & Connie Varnum)	45.6 acres
3)	Piscataquog River - Dunscombe (South New Boston Road, donated by Karen Dunscombe)	22.63 acres
4)	Whiting Brook (Off route 136, donated by Anthony Davis)	25.26 acres
5)	Humphreys (Dodge Hill Road, donated by Keith & Maris Humphreys)	13 acres
6)	Bicknell/PWA (2006) (Russell Station Rd/Cressy Hill)	75 acres
7)	Murray – Piscataquog River (2006) (Donated by Patricia Murray)	2.5 acres

Executory Interest (Secondary Easement Holder)

1)	Jones – (New Boston Road)	56 acres
2)	Howe – (2006 Red House Road)	29.26 acres

Total of conservation land fee owned or other interest held by town -2,240.76 acres

*Additional acres of town-owned land to be placed under easement per 2003 warrant article - 280 +/- acres, and per 2005 warrant article – 15 acres pending finalization of easement documents

ROAD AGENT'S REPORT

2007

To begin with, I would like to thank Clayton "Abe" Philbrick for his many years of service to the town. Abe retired in November 2007, and we hope that he enjoys his retirement.

The year 2007 was certainly marked with record events, from the spring floods of April to the record snowfall that was seen in December.

A meeting was held on April 17th attended by myself, Selectman, Emergency Management, Police dept., Fire Dept. and local contractors with regard to the condition of the roads in town after the flood waters receded. It was determined that nearly every road in town received damage in varying stages, from local washouts to the loss of whole roads. Thanks to the hard work of the contractors of this town and the highway crew, by Sat April 21st every road was once again open and passable to Emergency vehicles. As most people know, it took most of the summer to make repairs of damaged areas.

Reconstruction of Poor Farm Road was begun with the reclamation of existing pavement; this was followed up with drainage and culvert work. There was also approximately 300 feet of under drain and catch basin installation and some ditch enhancements were made.

The final phase of 2nd NH Turnpike South was completed. This was done with drainage enhancements including culvert replacements, catch basin construction, stone lined ditches and "the hump" as it was known, was removed at the stop sign. The shim and overlay and shoulder work was the finishing touch to the project.

During the fall the fire station parking lot took on a whole new look. Once the pavement was removed loam, clay, hardpan, small stumps and pieces of cordwood were found and removed. This was approximately 200 to 300 yds of unsuitable materials. It was replaced with gravel and compacted in lifts, and it was fine graded before 3" of new asphalt was put down to complete the project.

The Highway Dept. has had a very busy year and we look forward to continued success. We greatly appreciate the positive comments and the patience of the town's people.

We would like to thank the Selectman and the local contractors for their continued support and direction over the past year.

Respectfully submitted,

Gary Paige
Road Agent

TRANSFER STATION ANNUAL REPORT

2007 brought big changes to the oversight and operation of the Transfer Station. Town Meeting approved the purchase of a new waste compactor and it was installed in June. The Selectmen re-activated the Waste Disposal Commission in April and we published the first quarterly edition of our newsletter, "Talkin' Trash." The goal of the newsletter is to explain what goes on at the Transfer Station and give you information concerning recycling and, at the same time, our efforts to reduce costs. The state mandated e-Waste law went into effect on July 1. Televisions, computer hardware and fluorescent lights are now prohibited from landfills. The charges to you to dispose of e-waste are as close as possible to the actual costs to the town to remove. The Selectmen also enacted by ordinance a new fee structure that more accurately reflects the real cost of disposal, particularly construction and demolition waste.

On the subject of recycling, the town receives revenues computed at various rates for aluminum cans, steel and paper. Glass is ground up and recycled as composite for roads and other uses. Plastic is a cost item that is offset by revenue from our biggest source—paper. We began our education concerning paper recycling in July and, thanks to you, we have increased our tonnage 21% over the last five months of 2007 compared to the same period in 2006. Remember, that tonnage is not going into the compactor and costing the town to remove.

This effort could not succeed without the help of George Cilley, Heather Ayers and George Morgan. They are the glue that holds the process together. The Transfer Station is better maintained than ever and they are always ready to listen to suggestions.

In the spring we will host an Open House at the Transfer Station to answer any questions you might have about waste and recycling. The "White Board" on the Free Room wall gives you updated information concerning our progress to reduce costs.

REDUCE – REUSE—RECYCLE

It's the right thing to do.

It will save you money.

EMERGENCY MANAGEMENT ANNUAL REPORT 2007

This has been a very active weather year to say the least. A heavy spring storm caused considerable damage to Town roads, bridges and culverts and left the Town almost totally isolated for better part of a day and some residents isolated for 2 or 3 days.

The Francestown Volunteer Fire Department was extremely active during this storm assisting stranded motorists, providing assistance to several individuals in emergency situations both within and outside the Town, checking roads and bridges and providing continuous updates to both Emergency Management and the highway department, and provided traffic control throughout the Town as necessary for safety. Great job!!!

We need to thank the entire highway department for all that was done before, during and after this storm. They went above and beyond attempting to minimize the potential damage and providing valuable direction and assistance in the reconstruction efforts both during and after the storm. With the highway department keeping accurate and detailed records with a multitude of pictures taken during and after the event, the Town was able to apply for Federal and State assistance for the repair of numerous roads, culverts and bridges and was granted a significant portion of the \$500,000+ spent by the Town during and after the event.

Special thanks must also be expressed to Francestown Sand & Gravel, D.H. Hardwick & Sons, Yankee Pools and George Whipple for immediately coming to the aid of the Town in a time of need to get the Town infrastructure back to a point where everyone in Town could be provided with emergency services within 72 hours of the storm. Fantastic effort by all!!!

With the help of Bill McAuley, Selectmen Chair; Donnie Abbott, Fire Chief; Steve Bell, Police Chief; and Betsy Hardwick, Conservation Commission Chair, Francestown now has an up-to-date Hazard Mitigation Plan approved by both the State and Federal authorities. This plan enables the Town to continue to apply for Federal and State assistance when a need arises.

We will be updating the Francestown Emergency Operations Plans during 2008.

I am always available to answer questions regarding natural disasters, emergency services, etc., don't hesitate to call me at 547-3300.

Don't forget to post your house number so it can be easily seen by emergency personnel.

Respectfully submitted,

Paul A. St. Cyr
Director, Emergency Management

FRANCETOWN POLICE DEPARTMENT

P.O. Box 26 - 15 New Boston Road

Francetown NH 03043

603-547-6850

2007 TOWN REPORT

It has been a year of change for the Francetown Police Department. First like to say I am honored to be your Police Chief, permanently taking over the position of Chief in August has been a rewarding challenge. Our other Officers have taken on additional challenges as well. Sgt. Tom Thibeault has begun furthering his study in the medical field, becoming a full time student this year. He has expressed no intention of leaving the department. Officer Mike Abel has taken a full time position with a local police department. He continues to serve our community, but cannot devote as much time as he once did (our loss, their gain). Officer Tom Anderson, Jr. has returned to the Department to fill a void in staffing. He has made many contributions to the Department and has been most flexible, taking call, filling in shifts day or night and meeting the morning commuters. Officer George Morgan, Jr. is currently enrolled in the part-time Police Academy and we are looking forward to putting him out on the road.

We have implemented some of the recommendations of the Police Study Committee. You will note an increase in our telephone expense. This increase will allow a business line to be installed at the station. Currently, there is no phone number you can dial to directly reach someone inside the station. We think that separates the community's access to the Department. We would like to set this up so you don't have to call the dispatchers with questions on things like pistol permits. If you don't get anyone, you can leave a message for an Officer, however, if you need to speak to an Officer right away you can still dial 547-6850 or 911.

We have also put in a warrant article to update our weapons system. Some of our weapons are over 16 years old and the night sights are failing. There is no record of them ever being serviced by a certified armor. We currently do not have enough side-arms to issue for all of the members of the Department. Some of us are carrying our own personal weapon.

You will note increases in some of the stats and decreases in others for last year. Most significantly, arrests almost doubled. We have experienced more reports involving "Identity Theft" which consumes a large amount of

investigative time that tends to stall and results with no leads. We also have had three (3) reckless conduct arrests involving guns this year. The results of the arrests were very positive, defusing situations that could have been devastating.

I've compiled some of the more notable figures for the year:

Abandon Vehicle	5	Accidents	55
Alarms	10	911 hang ups	9
Animal Calls	75	Citizen Assist	102
Assault	1	Sexual Assault	1
Assist Other Dept./Off	111	Arrests	44
Building/Property Check	171	Burglary	4
Computer Crimes	1	Criminal Mischief	12
Criminal Threat	5	Criminal Trespass	4
Disabled MVs	23	Disorderly Conduct	1
Directed Patrols	13	Domestic Disputes	11
Fingerprints School/Other	4	Harassing Comm.	15
Juvenile Complaints/Truant	10	Littering-Dumping	5
Missing Persons	9	M/V Complaints	24
Suspicious Incident	70	Noise Complaint	12
Neighborhood Disputes	1	Road Hazard	46
OHRV Complaint	5	Open Door/Window	11
Protective Order Violation	1	Protective Orders	6
Public Relations Talk	4	Parking Problem	6
Paper Service	69	Shots Fired	5
Stalking	1	Theft	11
Theft Motor Vehicle	3	Town Ordinance	14
Traffic Checkups	7	Traffic Warnings	687
Traffic Citations	206	Welfare Checks	13

The Francestown Police Department would like to extend our appreciation to Retired Fire Chief Abbott. He has helped our department in many ways. His insight into the community has helped resolve issues effectively, with minimal impact to the public.

Thank you.

Respectfully submitted,
Chief Stephen P. Bell

**ANIMAL CONTORL OFFICER
2007 REPORT**

Breakdown of calls for 2007

Dogs –

Missing	8
Strays	17
Found Owner	5
Nuisance	2 – includes barking, roaming
Surrender	1

Cats –

Missing	6
Strays	5
Surrender	1

Livestock	2 – horses, goat
Wildlife	5 – deer, bat, squirrel, snake, fox
Other	4 – includes concerns for animal's welfare

Total calls 61

To help re-unite owners with their animals when they go missing, please call so I am aware that your cat or dog is missing.

This year we transported 1 dog and 2 cats to The Monadnock Humane Society in Swanzeey after holding the animal for seven (7) days and not being able to find the owner.

This year's rabies clinic was a success. A rabies clinic will be held in April 2008 – watch for posters as to the date and time. State law requires cats be vaccinated against rabies. Remember, when attending the rabies clinic, cats need to be in a carrier and dogs on a leash. Please remember to bring along your animal's current rabies certificate.

State law requires all dogs over 3 months old be licensed by April 30th each year. Remember – in addition to the license fee – there is an additional fee after June 1st to license your dog (\$25.00 Forfeit Fee and \$ 1.00 per month for each month you are delinquent). Proof of rabies vaccination (a rabies certificate) is required to license your dog – make sure you bring the certificate with you when you go to the Town Office to license your dog.

Once you have licensed your dog, please put the license tag on your dog's collar – this helps us locate you should your dog wonder off. There is a \$10.00 a day pick-up fee for animals held longer than 24 hours.

Respectfully submitted,

Donald C. Abbott
Animal Control Officer

FRANCESTOWN PLANNING BOARD ANNUAL REPORT –2007

In 2007, The Planning Board saw a decline in the number of applications we received: two for subdivision, one for consolidation (voluntary merger of lots), and two applications for lot line adjustment. In addition, we reviewed two site plans and held one compliance and three scenic road hearings. The net number of new lots created was one; detail on each case is below.

The Board spent a considerable amount of time working on updates to our rules and regulations. As a result, we are proposing five amendments to the Town Ordinance on the 2008 Town Warrant, have adopted new Rules of Procedure, and expect to adopt revisions to the subdivision and site development regulations this spring.

We also hope to make considerable progress in ongoing work to update the Town's Master Plan. Subcommittees are currently working on the Land Use and Community Facilities sections of the Plan.

Respectfully Submitted,
Sarah Hibbard Pyle, Chair

Subdivision:

On July 10th, the Board approved the application of Dan Blaise and Denis and Judy Desmarais for a subdivision/lot line adjustment affecting lots 2-3.2 and 2-6, located on Russell Station Road. One new lot was created.

On August 28, the Board approved the application of TPR Development for a two-lot subdivision affecting lot 8-43, located on 2nd NH Turnpike and Schoolhouse Roads. One new lot was created.

Lot Line Adjustment:

On July 10th, the Board approved the application of Dennis and Tiffany Calcutt and Monica Derr for lot line adjustment/annexation affecting lots 3-42, 3-42.2 and 3-55, located on Woodward Hill Road. No new lots were created.

On November 27th, the Board approved the application of James and Marie Seroskie and Barbara Costello for lot line adjustment affecting lots 2-2 and 2-3.1, located on Russell Station Road. No new lots were created.

Consolidation:

On April 3rd, the Board approved the application of Barry and Ann Wicklow for the consolidation of lots 2-9.1 and 2-10, located on Russell Station Road.

Site Plan Review

On October 16th, the Board approved the application of Verizon Wireless to co-locate and antenna on an existing tower on Crotched Mountain.

On May 15th the Board approved and application from East Side Condo Association for road paving, and an accompanying sediment and erosion control plan, at Eastside Condominiums.

Compliance Hearing:

On July 17th The Board found that construction of fire/drainage pond on property identified as Tax Map 8, Lot 47, Second NH Turnpike North was in compliance.

Scenic Roads:

The Board held three scenic road hearings at which we approved tree-cutting projects:

On April 3rd for selective cutting on 2nd NH Turnpike North by PSNH

On July 17th for selective cutting on Poor Farm Road by the Town of Frankestown

On October 16th for selective cutting on most of the Town's scenic roads by PSNH.

FRANCESTOWN'S SIX YEAR (2008-2013) CAPITAL IMPROVEMENT PLAN

The Town's Capital Improvement Plan (CIP), which was updated in January of 2007, serves three basic functions:

1. First and foremost, the CIP is a valuable planning tool which should help the Town to anticipate, prioritize, coordinate and manage its capital expenditures.
2. The CIP will provide part of the basis for developing any impact fee system that will require a developer, under certain circumstances, to offset some of the increased cost to the Town necessitated by his project.
3. The CIP will be essential for the development of any growth management ordinances, if, in the future, the Town should determine growth management to be necessary.

The major change between last year's 6-year plan and this year's is increasing the priority of improving the town's response time to fires as well as its fire insurance rating. \$100,000 has been added over the next 6 years. Completing the replacement of old highway vehicles remains the top priority.

The plan to improve the town's insurance rating, which will take several years to complete and even more years to implement, has identified several immediate action steps: computerization that will improve the information flow to and from Southwest Dispatch in Keene; an alteration to the Water Company's storage system; and the hiring of a hydrologist to certify existing water supplies as well as to identify the location of new supplies. Over \$100,000 has been reallocated to this effort over the next 6 years.

This effort, along with other priority commitments, has required the further deferment of funding for future town building projects, including the 2nd phase of the library expansion and improvements to the town hall. Given the estimated cost of current proposals, it is unlikely that work on any building project will commence much before 2014.

There are several other new projects for 2007: With energy costs expected to remain high, the Selectmen are proposing two cost-saving projects. The first, with an outlay of \$7,200, is for a waste oil furnace to heat the highway department bays using recycled oil from the transfer station. A feasibility study is now being conducted to determine if a second project to control temperatures in the library with geo-thermal heat is expected to show a cost of around \$60,000 with a payback of 6-8 years. The geo-thermal project is independent of the library project to provide handicap access and increase usable space.

Other new projects include \$3,000 for new guns for the police department, \$11,500 for a new roof for the town offices and the development of an official town web site.

At \$415,280, proposed net new spending (appropriations less withdrawals from reserves and other sources of non-property-tax revenue) for 2008 is approximately \$28,000 more than last year. Specifics are listed in Column 2 of Exhibit 1 on the next page. Also included in Exhibit 1 are the articles as actually proposed by the departments. (This year the CIP and proposed articles are the same.) Footnotes indicate whether the Board of Selectmen and the Budget Committee recommend approval of a particular warrant article.

The CIP is prepared - and this summary is provided - to assist you in your decision making at Town Meeting. If you would like a copy of the complete plan or have any questions about the plan and how it is prepared, please contact the Planning Board.

Respectfully submitted,

The Planning Board The Board of Selectmen The Budget Committee February 5, 2008

Total 2008 CIP*	\$984,385			1.69
Total 2007 Warrants*				\$ 1.46

Note 1: Estimated Tax Impact per \$1,000 of assessed property valuation is based on actual warrant proposal.

Note 2: In Column 4, an S notation indicates that approval of the warrant article is recommended by a majority of the Board of Selectmen and a B indicates the positive recommendation of a majority of the Budget Committee.

Note 3: In Column 5, R indicates financing in part, or in whole, from reserves; UFS indicates withdrawals from undesignated fund surplus; P indicates partial financing from private donation.

* Excluding bond payment, which is part of CIP, but is not discretionary.

REPORT OF ROAD IMPROVEMENT PLAN

The work on Poor Farm Road for the last year consisted of reclamation of the asphalt; replacement of culverts, and approximately 300 feet of underdrain was installed. There was also the reconstruction of one catch basin and the addition of one catch basin to accommodate the underdrain.

The year ahead will see the removal of approximately 700 feet of unsuitable material. This will be followed up with the installation of approximately 700 linear feet of road fabric and new gravel put down.

Also part of the project will be to lower the catch basin at the corner of Todd Road and Poor Farm road, this will be done to enhance and accommodate the draining of both of these roads at the intersection.

The final stage of the reconstruction process will be the pavement, starting with a 2" layer of binder coarse followed by a 1" topcoat.

The planned road work for the next six years will be Pleasant Pond Road.

The proposed future funding will be as follows:

2008/2009 - \$100,000

2010 - \$105,000

2011/2012 - \$110,000

2013 - \$115,000

Respectfully Submitted,

Gary Paige, Road Agent

REPORT OF THE HISTORIAN 2007

There were 36 building permits issued: 5 new homes, 3 barns, 3 garages, 6 additions,

3 sheds, 1 greenhouse, 14 septic, and 1 three season camp.

There were 1184 registered voters: 381 Republicans, 240 Democrats, and 563 Undeclared.

On March 30th, First Lt Scott Quilty received the Purple Heart from President Bush. He was severely injured in a roadside bombing in Iraq Oct 1, 2006. He is recovering in Md.

During a spring nor'easter April 15th & 16th, 4.68 inches of snow/rain mix caused flooding which closed most roads in town and washed out 4 bridges and many culverts.

In August, Officer Steve Bell, who had been serving as acting Police Chief, was sworn in as official Chief of Police.

The "2010 by 2010 Saving Special Places" land conservation project placed 475 acres of land into conservation easement in 2007, bringing the total acres protected to 1191. This is a co-operative effort by the Franchestown Conservation Commission, Franchestown Land Trust and the Piscataquog Watershed Association.

Franchestown Improvement and Historical Society sponsored the 90th Labor Day weekend, and it was another record year for funds raised. The parade theme was "News Headlines from the last 90 Years". FIHS sponsored 2 special programs: "New Hampshire Cemeteries and Gravestones", and "Colonial New Hampshire", the community supper in April, and also hosted the annual Christmas Tree Lighting event. The Beehive received a fresh coat of paint. There were a total of 218 members: 110 lifetime and 108 annual members and 17 new members joined in 2007.

The Old Meeting House sponsored several events including: concerts by Al Stewart, John Sebastian, The Matt Savage Trio, Jonathan Edwards, Steve Forbert, Tom Rush and Jesse Winchester and a comedy night with Rusty "The Logger" Deweese. Other events included: Verdant Visions in March, Labor Day Vespers, Labor Day tours and ice cream social, Trick or Treating at Halloween. In addition, FIHS "Colonial NH", Franchestown Land Trust annual meeting, 2 weddings and 1 memorial service were held at OMH.

The steeple and weathervane were repaired, screen panels for 2 of the south doors and mesh panels for the north fire doors were installed, the Austin organ was repaired and a low-flow toilet was installed in the east bathroom. OMH gained 12 new lifetime members

Oak Hill Grange #32 had 16 members, including 4 Golden Sheaf members (members for 50+ years). The master was Merle Jones and the secretary Dariel Peterson. The Grange sponsored the annual 'Meet the Candidates Night'. Members won awards for exhibits at 2 county fairs and at both state and national levels for needlework entries. They presented dictionaries to all 3rd graders at Francestown and Hancock elementary schools. 'Citizen of the Year' was presented to the members of the Cemetery Commission in honor of their work to replace the chain link fence at the town cemetery with a stone wall.

The Garden Club donated and planted 600 daffodils and 4 Scarlet Brandywine crab trees at Cemetery #2. GC monthly meetings included a lesson by David Seavey on pruning shrubs, a lecture by Martha Eisenberg and Ben Watson on heirloom vegetables, and a tour of Audubon's Ponemah Bog in Amherst. The GC also planted and maintained the triangle garden in town. The annual \$500 scholarship was awarded to Heidi Jones. The annual plant sale in May helps fund the scholarship and beautification projects.

Rev Suzanne Lamport served as pastor of Francestown Community Church.

There were 74 students, K-4th grade enrolled in Francestown Elementary school, 63 students at Great Brook School and 104 Francestown students at Conval HS. In addition, there were 17 home schooled students in town.

Joyful Tikes, a private pre-school, had an enrollment of 12 students, aged 3-5 years, from Francestown, Greenfield, New Boston and Lyndeborough.

Farming Fun 4-H Club had 6 members. For the first time, members participated in the Sheep Quiz Bowl held at the Sheep and Wool Festival. They also showed at Hillsborough County fair in September and participated in community service activities including assembling and delivering 'Welcome Baskets' to new residents, helping the Community Church at the Fall festival and teaching the Girl Scout troop about the care of sheep.

There was a Daisy/Brownie troop and a Girl Scout troop in town.

There are now 2 Food Co-Ops which meet at the Town Hall. Associated Buyers Co-Op meets once a month on Mondays. Northeast Natural Foods Association meets every other month on Fridays.

To the best of my knowledge, residents who served in the armed forces were: US Army-First Lt Scott Quilty, US Navy- IS2 Christina Davis, US Marine Corp-Gunnery Sgt Richard Beard, Air National Guard-Col Sylvia Nye (who retired May 2007 after 30 years of service), US Army Reserve-Sgt Richard Roberts.

Francetown mourned the loss of several residents in 2007

March 7, 2007-**Michael W Tennis**, devoted his life to protecting the environment, sang with Mystic Chorale, and was known for his great sense of humor.

March 23, 2007-**Sharon Gal Iadone**, worked in the Assessor's Office for the state of New York before her retirement.

May 15, 2007-**Charlotte Joyce Campbell**, worked as a bookkeeper for many years and enjoyed swimming and traveling.

June 7, 2007-**Joan E Hanchett**, grew up in Ireland and was librarian of the GH Bixby Memorial Library for over 20 years. She will be remembered for her wonderful sense of humor, warm smile and was a friend to all who met her.

July 14th, 2007- **Jean Macdonald**, was a longtime summer resident, an activist, world traveler and was passionate about teaching, mountain climbing, gardening and the opera.

August 2, 2007-**Warren Murdough** lived in Lyndeboro, ½ mile from the Francetown line. 'Buddy' worked on the Francetown Highway Dept and the Transfer Station.

August 7, 2007-**Edwin O Farhm**- had a 35 year career in education, 20 years as director of guidance at ConVal School District. He coached Little League in town for 12 years and led the Conval golf team to state championships in 1995 and 1996. He was also an accomplished painter and woodcarver, specializing in birds of prey.

August 10, 2007-**Keta Cecelia (Becker) Jones**- an activist and passionate supporter of peace and social justice, was pastor of Francetown Community Church for 10 years.

September 18, 2007- **Virginia Frances Twombly**, a lifelong Francetown resident was a Golden Sheaf (50+ year) member of Oak Hill Grange #32.

September 22, 2007- **Margery Somers Foster**, was a lieutenant in the US Naval Reserve, taught economics at Harvard, Holyoke, and Hollins colleges, served as Dean of Douglass college at Rutgers University, served on numerous college boards and associations and was the first woman to sit on the board of directors of Public Service Electric and Gas Co and Prudential Life Insurance Co. She was a world traveler.

October 26, 2007- **Cynthia Rose Comley**, 'Rosie' worked for Child and Family Health Services in Manchester, loved baking and singing.

October 27, 2007-**Charles H Curran III**, taught philosophy, communications, and Irish Studies at Stonehill College, enjoyed traveling and cooking and was known for his kind heart and sense of humor.

November 22, 2007- **Charles Harbage**, served in the US Navy, had a career in engineering, and loved model railroading.

All will be greatly missed by the community.

Respectfully submitted,

Kris Holmes, Historian

PUBLIC ASSISTANCE ADMINISTRATOR'S REPORT 2007

The Public Assistance Department has experienced a busy year. Beginning in March, I took over the position held by B.J. Carbee for twenty years. B.J. has been a tremendous help with the transition and I want to send a hearty thank you to her for all the advice and aid she gave. The first task undertaken this year was to update the guidelines for assistance. With the help of the Selectman, this was accomplished quickly. The suggested guidelines from the New Hampshire Local Government Center have been adopted here in Franconia. In addition, after a survey of local towns and research into cost of living here in New Hampshire, specific assistance levels have been put in place. This year we have seen an increase in applications. Everything possible was done to secure assistance from all available programs to help in each case. In spite of other available programs, the Public Assistance budget was overspent. By State Law, qualified applicants must be assisted with their needs, even if it means going over the budget.

Assistance is available for those in need. It is a timely process, however an application must be completed and verified. Small amounts of aid can be given in an emergency to gain the time needed to verify an application. If you find yourself in need, please contact me at 547-3254. If you know of someone who requires assistance, please encourage them to contact me directly. The tradition of annual Christmas deliveries to the elderly, grieving, and ill was also continued. Thank you to all who helped with cookies, donations, and deliveries. I have enjoyed getting to know many of you and am so grateful for the support I have received in this first year.

Respectfully submitted,
Phyllis Naegeli, Public Assistance Administrator

THE GRAPEVINE & COMMUNITY RESOURCE CENTER

In 2007, The Grapevine continued to promote family and community health and well-being by providing the residents of Antrim, Francestown, Hancock, and Bennington with family and parenting support and early childhood education, and by building on the resources in our community.

Thanks to the support of Antrim voters last spring, the new teen center had already served 80 teens in the months of November and December alone. Also new in the fall of 2007 was the After School Club, which The Grapevine “adopted” from the Antrim Recreation Department and which had already served 22 children of working families before the December holiday break. Last fiscal year The Grapevine served more than 1600 children and adults at the center and in the community. Grapevine programs, services and resources include:

Parent-Child Programs and Family Supports

- **Better Beginnings Parent-Child Program**, for children 18 months through 5years.
- **Better Beginnings for Babies**, for infants from birth to 18 months and their parents.
- **The Learning Vine**, a parent-cooperative preschool program.
- **Parenting Education and Support**
- **Early Home Support**: Home-based support for Medicaid-eligible young mothers and their infants, in collaboration with Home Healthcare and The Family Center;
- **Visitation Site**: The Grapevine is an approved supervised visitation offering local families a welcoming environment for these important visits between noncustodial parents and their children.

Community Services, Resources and Activities

- **Information, Referral and Assistance** for people in need of basic services.
- **Access to Health and Human Services**: The Grapevine provides a local office for Monadnock Family Services (child and family

- **Access to Health and Human Services, continued**
counseling), A.C.C.E.S.S. (employment support for adults with disabilities, and school-to-work transition support for students with disabilities), Milford Area Mediation (family conflict resolution), SW Community Services (homeless outreach) and Home Healthcare (NH Healthy Kids health insurance), Project LIFT (literacy tutoring and GED)
- **Classes and Workshops**
- **Community Wood Bank**
- **Strong Living**, a volunteer-driven strength training class for older adults.
- **The People's Service Exchange**, a neighbor-helping-neighbor network.
- **The Before and After School Clubs**
- **The Teen Center** at 42 Main Street, created for teens from Great Brook School towns, opened its doors on October 31 with opportunities to play pool, ping pong, foos ball or board games, finish up homework or check email, listen to music, and just "hang out."
- **Meeting space for local groups**

The Grapevine, a 501(c)(3) nonprofit organization funded by grants and local support, was honored in 2006 as the recipient of the statewide Smith Award for "Excellence in service to families." For more information about The Grapevine, read our column in The Frankestown News, give us a call at 588-2620, drop by the center in the Aiken Street Barn behind the Tuttle Library in Antrim, or visit our pages on www.antrimnh.org.

CEMETERY COMMISSION REPORT

2007

The new stonewall along #3 Cemetery survived the roadwork admirably and is settling well. Our gate for the middle section will be completed this coming year.

The Miller Brothers started the process of clearing out the drainage along the South side from the Turnpike to the river.

Peterborough Marble and Granite continues to repair headstones in all three cemeteries.

The newer North section of #3 has been mapped and laid out. The South section has been re-mapped and will be laid out as well come Spring. The lot costs are reconfigured at \$400 for a 4x5 cremation lot, and \$600 for a 4x10 full casket burial lot.

The Francestown Garden Club orchestrated the planting of four Scarlet Brandywine Crabapple trees gifted to us from Ponemah Farm. We gratefully planted three in the new North section and one in the South section. The Conservation Commission's gift of daffodil bulbs brought 600 to #3 Cemetery planted by a jolly group of Garden Club members in the crisp Fall.

It came to the attention of the Committee for Patriotic Purposes that the older war staffs in Cemeteries #1 and #2 were fodder for filching as we had already lost five such Revolutionary War staffs. The Cemetery Commission removed the remaining, which have been replaced by something less valuable while the old brass ones will be held by the Historical Society. The McKay brothers' project of clarifying whom these belong to, is continuing. Years of incremental movement by grounds care have left many of them miss-placed before their recorded removal, especially in #2 Cemetery.

We have had three internments this past year, and sold eight lots.

Respectfully submitted,

Betsy Wiederhold

ARTICLE 2.

FLOOD HAZARD BUILDING CODE ORDINANCE

Are you in favor of adoption of Amendment Number 1 as proposed by the Planning Board for the town zoning ordinance as follows: amend the Flood Hazard Building Code Ordinance of 1988 as necessary to comply with the requirements of the National Flood Insurance Program? The purpose of this proposal is to adopt certain changes recommended by the N.H. Office of Energy and Planning, which would update the town's Flood Hazard Building Code Ordinance of 1988 (last revised in March 1997), and ensure that Francesstown remains in compliance as a participating community in the National Flood Insurance Program.

The Planning Board voted 5-0 in favor of recommending this proposal.

Yes ☐ 258

No ☐ 25

CONTOOCCOOK VALLEY SCHOOL DISTRICT

March 13, 2007

Results of School District Ballot.

1. Shall the Contoocook Valley School District raise and appropriate as a gross operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$42,387,141? Should this article be defeated the default budget shall be \$41,872,977 which is the same as last year, with certain adjustments required by previous action of the Contoocook Valley School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised gross operating budget only.

YES 119 NO 160

2. Shall the Contoocook Valley School District 1.) raise and appropriate the sum of up to \$50,000 to be added to the Contoocook Valley School District Building Capital Reserve Fund, as previously established pursuant to the provisions of RSA 35:1-c, and 2.) authorize the transfer of such amount from the year-end undesignated fund balance available on July 1, 2007? (This amount represents up to \$50,000 from the June 30, 2007 general fund surplus.) (The ConVal School Board designates this article as a SPECIAL warrant article and RECOMMENDS adoption of this article.)

YES 153 NO 124

Shall the Contoocook Valley School District 1.) raise and appropriate the sum of up to \$50,000 to be added to the Special Education Trust Fund, as previously established pursuant to the provisions of RSA 198:20-c, and 2.) authorize the transfer of such amount from the undesignated fund balance available on July 1, 2007? (This amount represents up to \$50,000 from the June 30, 2007 general fund surplus.) (The ConVal School Board designates this article as a SPECIAL warrant article and RECOMMENDS adoption of this article.)

YES 153 NO 127

4. Shall the Contoocook Valley School District appoint the salaries of the School Board and fix the compensation of any other officers or agents of the District as follows: School Board Chair, \$700; each member, \$500; Treasurer, \$2,000; Moderator, \$100?

YES 178 NO 102

5. Shall the Contoocook Valley School District accept the reports of Agents, Auditors, Committees, and Officers chosen?

YES 231 NO 48

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the Seventeenth day of March next, at ten of the clock in the forenoon, at which time the town will act on the following subjects.

RESOLUTION:

Be it resolved that the citizens of Francestown at this town meeting, that they express their deep sorrow for the injuries suffered by Lt. Scott Quilty while serving in Iraq and their deep appreciation for his service in the protection of our country. So be it further resolved that this resolution be spread upon the minutes of this town meeting and that the Town Clerk be instructed to forward a copy of this resolution to Lt. Scott Quilty.

Resolution Carried

RESOLUTION:

Be it resolved that the Trustees of the George Holmes Bixby Memorial Library hereby recognize with gratitude the extraordinary work this past year by the Library Staff: Sirkka Holm, Carol Brock. Susan Connard and Jan Griffin. The Town has benefited tremendously from their harmonious teamwork, competent handling of daily details, and friendliness to all Library patrons.

Be it further resolved that the Library Trustees wish to recognize the leadership and courage of Library Director Joan Hanchett, who is credited with creating the warm, inviting atmosphere and attention to individual needs that are the hallmark of the Library, and who continues to guide Library activities.

We are indebted to these extraordinary people for their contributions and commitment to the Library. Be it resolved that a copy of this resolution be forwarded to these individuals by the Town Clerk.

Resolution Carried

ARTICLE 3:

Motion made by Scott Carbee to raise and appropriate the sum of One Million, Three Hundred Ninety Five Thousand, Seven Hundred Thirty Three Dollars (\$1,395,733.00) such sums of money as may be necessary to defray town charges for the ensuing year and to make appropriations for the same.

Such sums to be raised by taxation, or take any other action relating thereto;

Seconded by Mark Pitman

Article 17, As Written, Carried.

ARTICLE 18. (By Petition)

Motion by Peter Bixby to see if the Town will vote to approve the following resolution to be forwarded to our elected officials at the local and state levels: Resolved: We the citizens of Francestown, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. "The Pledge" perpetuates a burdensome property tax by preventing discussion of any alternatives. We urge our elected officials to reject "The Pledge," have an open discussion covering all options, and to adopt a revenue system that relieves the property tax burden, or take any other action related thereto;

Seconded by Leila Wilder

Standing Vote

Yes 49

No 32

Article 18, As Written, Carried.

ARTICLE 19. (By Petition)

Motion by Lawrence Johnson to see if the town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Francestown.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Francestown encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices, or take any other action relating thereto;

Seconded by Sirkka Holms
